

Entering Student-Athlete Information

We are please to welcome you to The University of Northwestern Ohio Athletics family. There are a few important items that must be completed and returned so that we can establish your personal, confidential file with the Athletic Training Department.

All forms must be read and completed before you will be allowed to participate in any University of Northwestern Ohio athletic activity. Please take time to read and complete these forms and return them no later than **the first practice date. You will NOT be allowed to participate in any athletic activity until all forms are signed, dated, and completed!** You will also have to undergo a pre-participation physical prior to athletic participation. These items are crucial in medically clearing you for participation in intercollegiate athletics at The University of Northwestern Ohio, and establishing your eligibility for coverage under our secondary insurance policy. Incomplete forms will be returned to you, which will delay the process. **Remember, this process must be complete before you will be allowed to participate.**

Please bring these completed forms to the Athletic Training room, or you can mail or fax the completed forms to the appropriate address shown below **before the first practice date.**
